President's Message

Hello NY Conference Members!

I hope that you are all enjoying this strange spring weather we are having. Spring means that I am now your New York Conference President! I have some big shoes to fill. Darrell was a great President and will be a tough act to follow. I look forward to serving you, and hope to continue the tradition of excellence that all of our past presidents have set.

I have just returned from CASA's 101st Annual Educational and Training Seminar in Saratoga Springs. It was a very educational and enjoyable experience. Members of our local conference won the scavenger hunt, and a great time was had by all.

Our 102nd Annual Educational and Training Seminar will be hosted by the New York Conference next year, and is scheduled to take place April 23-26th on the campus of Stony Brook University. I hope that many of you will be able to take advantage of the location and have the opportunity to attend.

See you at the June meeting!

Yours Truly,

Nichols Guarino Jr.
NY CASA President
